Exhibitor Profile

By virtue of the newly upgraded Fasteners Shanghai Special Zone and two novel outdoor pavilions, the total exhibition area this year reached an unprecedented 97,000 square meters to accommodate 1,645 exhibitors from 31 countries and regions.

- 1,158 exhibitors (wire China, including Fastener Shanghai): 906 from China; 252 from abroad
- 487 exhibitors (Tube China): 423 from China; 64 from abroad

84% exhibitors will remain their participation in 2018

International Pavilion

International pavilions from Germany, Italy, North America, Austria, France, Korea, Japan and China Taiwan provided increasing international participation enabling visitors to discover cutting-edge products from around the world without going abroad.

Special Product Zone

wire China 2016 kept the 'Raw Materials Special Zone' and 'Cable and Spring Special Zone' as usual. Besides, the upgraded Fasteners Shanghai Special Zone was designed to open up upstream and down-stream channels to create a one-stop sourcing platform for fastener products, manufacturing equipments and raw materials.

“The biennial Wire & Tube China brings together high-quality buyers from China and many surrounding countries, some of whom have already signed on-site letters of intent to purchase. This show has clearly become an important channel for Wafios to expand into the Asian market. I believe that with the advancement of Industry 4.0, the industry as a whole will become better and better.

- Dr.-Ing. Christoph Müller-Mederer, CFO from Wafios AG

Splendid Moment

" We have witnessed the 14 years' development of this event. By virtue of this platform, we have been continually optimizing our company image and have succeeded obtaining many business opportunities. In the future, we will make better use of this offline platform and showcase our cable manufacturing technologies to our global buyers.

- Mr. Zhao Jianyi, General Manager
Shanghai Kingstone Cable & Equipment Co., Ltd

" During the exhibition, we have met many professional buyers seeking for precision pipe cutting technologies, providing convenience for Han's Laser to obtain bigger market shares. I am satisfied and hope more friends from both upstream and downstream pipe industries will participate in the exhibition.

- Mr. Xia Jianjie, Head of Sheet Metal Division
Han's Laser Technology Industry Group Co., Ltd

Visitor Profile

Bolstered by the trade fair's strong appeal and support from various organizations, wire and Tube China 2016 hosted a record-breaking number of 42,199 trade visitors from 94 countries and regions, an increase of 10.9% over the previous edition.
